# A Note from Pastor Brendan...

**Pastor Brendan Hock:** [bhock@halifaxgmc.org](mailto:bhock@halifaxgmc.org) / 717-896-8092 x 101      “Christ Centered | Community Driven.”

After a long night of hard work, a team of professional fisherman had nothing to show for it, nothing but their empty nets.

Jesus approached them early the next day — Peter among them — issuing a challenge: “Put out into the deep water and let down your nets for a catch.”

Peter’s response? He said what many of us might have said. “Master, we’ve worked hard all night and haven’t caught anything.” **What Peter said next, however, made all the difference. “But because you say so, I will let down the nets.”**

You know how the story ends. They caught such a large number of fish that their nets began to break, and they had to call their friends to come and help.

It’s important to remember that Peter’s reason for trying again wasn’t that he suddenly decided to believe in himself. He tried again because he decided to believe in Jesus. He tried again because he was ready to take Jesus at His Word. I imagine we’ve all been there. We’ve all spent long days and longer nights trying to do better, trying to be better, trying to make something happen, till we’ve exhausted our resources and drained every ounce of energy -- and still there’s nothing to show for it, nothing but an empty net.

With a string of failures behind you, it’s hard to have the nerve to try again. Why should you? You know yourself and nothing has changed. Why should this time be different? In fact, if it’s all on you, and only you, I suppose it makes good sense not to try again.

But remember this story. It’s not all on you. If you believe in Jesus and the simple power of His Word -- that’s all the reason you need to try again. Still holding an empty net? Exhausted from your efforts? Stop thinking, for a moment, about how long the night has been. Stop thinking about what hasn’t happened yet. Think, instead, about what Jesus is asking you to do.

That "thing" that you're ready to give up on... that dream, that prayer, that need. Don't let it go just yet. One more time, go out into the deep, and cast your net. And, if necessary, cast it again, one more time — as many one-more times as it takes, and let Jesus fill the net to overflowing.

I love you all,

Pastor Brendan

# LAY LEADER UPDATE

Over the last several months my focus has come to rest on the subject of discipleship. First, as Pastor Brendan began meetings with the vision team, I found that with great unity, the vision team zeroed in on the issue of discipleship as the main need of our church. **It is discipleship that gives meaning, purpose, and structure to why a person makes a decision for Christ.** If discipleship is weak, being a Christian can take on errors that produce an unbiblical lifestyle. It is discipleship embodied in our life that provides the impetus for changing us into biblical reflections of Christ. The vision team believed that to thrive in today’s world, discipleship needs to be a strong and integrated aspect of our lives.

Second, I was pleasantly surprised at the Northeast Annual Conference of the Global Methodist Church. This year it was held in Cortland, NY. It was truly an honor for me to be able to represent our church along side Pastor Brendan. The Theme of the Conference was “Fanning the Flame”. As the conference leadership presented a vision for the future, they focused on the concept of “Holiness”. They said that holiness is needed in our churches today. **Holiness is that characteristic that is evident when others can see an unquenchable desire in us to be like Christ.** Holiness is a desire to be like Christ as the bible presents him to be, not as we want him to be. We do not shape God into the image we desire; rather, God shapes us into what He desires. I may be mistaken, but it seems to me, that is what discipleship is all about. It brings me great joy to see our Conference leadership tackle such a high calling!

And Third, my own personal studies are also focused on discipleship. I have been looking into what makes a “healthy” Christian and a “healthy” church. I am studying a book called Natural Church Development, (N.C.D.). The book lays forth the idea that leaders should not focus on church growth, but rather on church health. Healthy things grow and duplicate. **If you aim at growth, many gimmicks can produce numbers. But if you aim at health, growth and multiplication is a natural by-product.** Health is yet another way of talking about discipleship. And currently, I have a burden for myself to be a healthy disciple, and for our church to produce healthy disciples as well.

So, I leave you with the question that our Northeast Annual Conference challenged me with. **“Do others see in you an unquenchable desire to be like Jesus?”** Embrace this question every morning and grade yourself at the end of each day!

- Rick Stence (*Lay Leader*)

# WORSHIP SCHEDULE

As we move into the Fall Season, we are excited to begin a new series on the **BEATTITUDES from Jesus’ Sermon on the Mount**. The most famous and misunderstood message of Jesus is The Sermon on the Mount. Some arrogantly assert that this sermon is their own personal code of ethics while others say it's an impossible standard that won't be kept until Heaven. Matthew 5 through 7 are some of the most challenging, convicting, and comforting chapters to be found in all the Bible. Join us this fall as we look at this great sermon together!

# ADULT MINISTRY UPDATE

Pastor of Family Ministry: Jesse Funk—[jfunk@halifaxgmc.org](mailto:jfunk@halifaxgmc.org) | 717-896-8092, x 102

Happy Fall everyone!

I hope you're as excited as I am about this fall season of ministry! As we continue to listen for God's direction regarding what new ministries He wants here at HCC, we will still continue to hold as many discipleship opportunities this fall as we always have.

In Ephesians, Paul desires for his flock to have the ability to comprehend "the breadth and length and height and depth, and to know the love of Christ that surpasses knowledge..." Many of us know the commands of God, but do we know the character of God just as well? If we know He loves us, do we know how much? If we know He is good, do we know how good? This fall, we invite you to not only know the commands of God, but the depth of His love, grace, mercy, and goodness towards YOU. We hope to walk alongside you as you find the depth of God's love towards you is far deeper than you ever previously thought.

Check out the next page to see some classes that can help you along this journey, and sign-up sheets are currently in the church lobby; or, you can send me an email or call me to sign up!

- The Men's Ministry is planning another Men's Barbecue for November, with the specific date to be announced in the near future.

As always, if you feel the Spirit may be urging you to lead or join a small group, I would love to talk to you about that to help discern where God is directing you!

In Christ,

Pastor Jesse

# VACATION BIBLE SCHOOL

## THANK YOU TO OUR CHILDREN'S MINISTRY VOLUNTEERS!!

We have had the most amazing and faithful season! VBS was so much fun, a true blessing. We are so thankful to every one of you that gave a hand or two for a day or all week. We absolutely loved the week of faith, fellowship, and watching the children's faith grow. Our week was filled with such Love and Faith—Thank you doesn't feel like enough. We are feeling so blessed and filled with JOY in our hearts! Our family here at Halifax Community Church, and being privileged to spend the week with so many others all serving with the same purpose, is so encouraging! We were blessed to work side-by-side with 50+ volunteers through the week, 20 of which were youth leaders, and we were able to reach 109 children throughout the week. When I say our hearts were overflowing, I am not exaggerating—it was the best week of 2025!! We are so thankful to every one of our amazing volunteers and feel so blessed to be a part of such an amazing faith-filled family/community!

Let the little children come to me and do not hinder them, for to such belongs the kingdom of heaven.  
Matthew 19:14

Well over \$1300 was raised by the children as the community support project for VBS for:

- Boy Scout Troop 1165
- Cub Scout Pack 156
- Girl Scout Unit 191
